

ESOcast 1: James Bond at Paranal

ESO's Paranal Observatory has just been used as the key location for Quantum of Solace, the latest film in one of the most successful movie franchises – that of renowned secret agent 007. See why ESO played a pivotal role in this movie!

More episodes of the ESOcast(/public/videos/archive/category/esocast/) are also available.

Find out how to view and contribute subtitles for the ESOcast(/public/outreach/soft_subtitles/) in multiple languages, or translate this video on Youtube(http://www.youtube.com/timedtext_video?ref=share&v=QaQr1tRkj4Y).
